International Symposium

Ibuka Hall, Waseda University

Kyoto Mechanism and Ecosystem Conservation

- 8:30-9:00 **Registration**
- 9:00-9:10 **Introduction (Objectives and Background)**
T. Okuda *National Institute for Environmental Studies, JAPAN*
- 9:10-9:20 **Opening Address**
K. Shirai *President, Waseda University, JAPAN*
- 9:20-9:30 **Opening Remarks**
K. Takemoto *Ministry of the Environment, JAPAN*
- 9:30-10:10 **Key Note Speech**
Inter-linkages between Biodiversity and the Kyoto Mechanism
R. Watson *The World Bank*
- 10:10-10:40 **SESSION-1**
KYOTO MECHANISM AND COP9-PRESENT STATUS OF CDM
Definitions and Modalities for Afforestation/Reforestation CDM (AR-CDM), Decided in COP9
E. Sato *Forestry Agency, JAPAN*
- 10:40-11:00 -Break-
SESSION-2
LOCAL COMMUNITIES, LANDSCAPE AND CDM
Chairperson: Y. Yamagata
- 11:00-11:30 **2.1. Present status of land use and land use changes, deforestation in tropics**
M. Kashio *Food and Agricultural Organization (FAO), THAILAND*
- 11:30-12:00 **2.2. Present Status of Local Communities in the CDM Area**
- Significance of Local Collaborative Forest Governance
M. Inoue *Tokyo University/Institute for Global Environmental Strategies(IGES), JAPAN*
- 12:00-12:30 **2.3. Joint forest management in India: A potential CDM activity**
T. P. Singh *The Energy and Resources Institute, INDIA*
- 12:30-14:00 -Lunch Time-
SESSION-3
ECOSYSTEM CONSERVATION AND CDM
Chairperson: T. Ikeda
- 14:00-14:30 **3.1. Effects of Fragmentation on Forest Functioning and Integrity in the Amazon and how it Relates to the CDM**
R. Mesquita *National Institute for Amazon Research (INPA), BRAZIL*
- 14:30-15:00 **3.2. The Canadian Model Forest Network: In Situ Laboratories for Development, Testing and Implementation of New Approaches to Sustainable Forest Management**
B. McAfee *Canadian Forest Service, CANADA*
- 15:00-15:20 **3.3. Studies and research related to CDM afforestation and reforestation**
Y. Kiyono *Forestry and Forest Products Research Institute (FFPRI), JAPAN*
- 15:20-15:40 **3.4. Ecosystem management approach for CDM-AR activities: ecosystem service values and goods of forestlands**
T. Okuda *National Institute for Environmental Studies, JAPAN*
- 15:40-16:00 -Break-
- 16:00-17:30 **General Discussion: Towards the Consistency of CDM and Ecosystem Conservation**
Chairperson: I. Noble / M. Amano
Commentator and Modulator:
1. Plantation Activities and Ecosystem Conservation (Criteria and Indicators for Biodiversity Conservation)
T. Toma *Center for International Forestry Research (CIFOR), INDONESIA*
2. Cost and Benefit of CDM
N. Kobayashi *IGES/Japan Forest Technology Association (JAFTA), JAPAN*
- Closing Remarks**
M. Watanabe *National Institute for Environmental Studies, JAPAN*
